BE AN ARTSBRIDGE SCHOLAR!

ArtsBridge Scholars are outstanding UC Davis undergraduate students who coach projects in the performing arts in public school K-12 classrooms.

An ArtsBridge Scholarship will give you the opportunity to earn \$750 for coaching a 10-week project in a classroom in Woodland or Sacramento. This is an extremely rewarding experience in teaching and communicating your art to young students whose experience in the arts has been extremely limited.

Application Deadline: Friday October 19
